Try a box. care to, take the time to wade through it, but the reviews of the Eastern papers show CARTER HARRISON'S worst fault as a pub-lic man was the encouragement he gave to sent to the Islands to make a report that those who chafed under the restraints of would reflect on the Harrison Administralaw, and it is a tragic sequel to his stormy tion. It attacks Minister Stevens, who says career that he should himself fall by a murderer's bullet. Such incidents as this gives us pause in our rejoicings over the rich fruits of advancing civilization. They do not reflect upon our institutions; they only in the East that Blount has not helped the show that there are perils we have not yet overcome; depths of darkness in the human Thurston has replied to Blount's report mind that even American liberty has not and politely says he lies, and shows where

have the floor.

Last weeks' norther was pretty tough on the other side of the mountains. Considsnow, but it was a fearfully cold wind.

R. W. Perry, who went to New Orleans R. W. Perry, who went to New Orleans
weveral weeks ago with a car lead of horses,
has returned. He reports that he did not
sell all the horses, but those disposed of
brought good prices. He found New Orleans to be a good horse market, and exleans to be a good horse market, and expects to establish a permanent trade for Nevada horses in that city.—Reno Journal.

Perhaps Minister Willis found on arrival that he could not carry out the wishes of his unAmerican superiors. The next news will be anxiously looked for.
